- 7. After filling out this information, click next to enter billing information.
- 8. NOTE: you will immediately be sent a receipt email with an **ACTIVATION CODE! DO NOT DELETE OR Destroy this code!** This code will be used to activate your course for class use.

EXAMPLE: V3HY-AZVY-9QZY-2H4T

9. Now that you are finished with ordering, you will be ready to activate your new LabSim courseware title!

CREATE AN ACCOUNT

After purchasing your LabSim training course, use the provided activation code to setup an account. Go to <u>www.testout.com</u>. At the login screen click "Create an Account". (Only first time users should setup a new account.)

Enter your country, desired login, password (field is case sensitive), first name, last name, email address and activation code and be sure to include the dashes. Click the "Create" button when completed.

This completes the account creation.

(During your initial login, you will be asked to update your account for enhanced security.)

ACCOUNT LOG IN

Go to <u>www.testout.com</u> and press the "Log In" button.

At the LabSim login screen, enter your login and password. Click on the "Login" button.
